35. Highlight the unique features of the college?

This College is established in the Rural & Hilly area in which the students mostly comes from Poor family & downtrodden society. The students are mostly from the uneducated families & therefore the college has to give the attention towards their academic & overall development keenly. For this college Teachers take extra efforts for solving their various problems academic as well as financial too. The college organizes counseling & orientation program for their carrier development. From the academic year 18-19 we started some Basic Courses in Basic Accountancy, certificate course in spoken English and Bridge course in Science for the upliftment of the rural students.

36. Highlight the participation of students in extension activity?

In our college different activities we organized during the academic year, such as N.S.S., DLLE cultural activities celebrations of Shivjayanti, Dr. Babasaheb Ambedkar Jayanti etc. Food Festival, Science Day, The students take parts actively in these all the activities.

37. Innovations:-

Mention some of the important innovations introduced by the College during last four years which have directly enhanced the quality of its functioning such as quality of teachers, teaching-learning, research, quality of publications, students' evaluation, student's support system, etc.

The college has been decided to reduce chalk board system of teaching in place included LCD Projectors internet connections for updated Knowledge. Professional Experts were hired in the field of sport and cultural to enhance potential of the students as a support services. Various community relevant programs were organized through NSS residential camp adopted nearby village Kapade to develop with educational point of view, social point of view and human health. All required facilities for the research like library, internet, laboratories etc. are provided enhance research activity among the teacher. Above mention all initiatives undertaken by the college directly influences.

38. Best Practices:

IQAC has been constituted and it's functioning as per norms, involvement to stake holders in its functioning. IQAC has to take positive steps for documentation and initiation of collaborative activities, analysis of data and results, their review, strategies for corrective measures. Programs to empower students, especially of women through women's cell have been initiated. Networking with NGOs and neighborhood communities and institutions have been initiated. The institution is sensitive to gender relative issues, communal harmony, and Nationalism, Patriotic & environment consciousness; conducted Gender audit.

39. Detail five major strength, weakness, Opportunities and challenges (SWOC) of the department.

Institutional Strength

Conscious efforts towards remedying the deficiencies and fulfilling the suggestions observed in the previous accreditation report. As per suggestion Post of permanent Principal has been fulfilled, other vacant post i.e. Librarian, Teaching post in Physics and English. Institution got permanent affiliation from university of Mumbai. Institution applied for the 2(f) and 12-B recognition of UGC to get the 12th plan Development / Special grants towards women's Hostel, Library Building etc. Research by the faculty has been increased immensely, 4 faculty has been completed their Ph.D. and 1 faculty submitted thesis. Student support services including N.S.S., offering some certificate course in different streams, some healthy practices such as student-

feedback and interaction with the faculty, Social Media, e-teaching-learning practices (What's up groups) have been initiated.

Institutional Weakness

Infra-structural inadequacies and space constraint; limited land area, constraining the scope of expansion/ diversification of academic programs and sports fields. Insufficient support of transportation for the long root students due to location of college. Lower pass percentages in some of the programs / in some years; falling student enrolment and increasing drop out ratios. Effective class attendance is decline caused by institutional and external factors.

Institutional Opportunity

Better scope for giving professional thrust by offering several careers focused short term courses. Opportunity for to wider industry-linkages for co-sponsored action-research and conduct of vocational and skill enrichment programs. Scope for expanding the campus; and toning up the infrastructure and better and intensive utilization of resources (computer facility, language lab, among others). Better scope for research /consultancy output as there are 11 (out of 20) faculty with Ph.D. qualifications, with some publications to their credit.

Institutional Challenge

Locational challenge could be a factor for student enrolment against the sanctioned intake. Challenge of starting some new departments i.e. Zoology, Botany and Mathematics in science faculty so students can have more option in T.Y.B.Sc. Challenge to improve sport facilities including Gymkhana and making of Auditorium. Challenge on account of the way of professional colleges during the better students away from the basic sciences /humanities. Challenge of vernacular medium is being predominantly used in the class teaching and examinations capacitating the students in the globalised economy.

40. Future Plan:

Perspective & Strategic Plan

The College prepared the perspective strategic plan considering following aspects.

Resolve major administrative issues:

- > To fill up vacant post of college.
- To achieve 2f/12b consideration from UGC.
- ➤ To propose permanent affiliation for Science Stream.

Stimulation of research & Innovation:

- To organize National, International, Statelevel, University level workshop, conference & seminar regarding research activities.
- ➤ To provide fund for workshop, conference & seminar for faculties.
- > Promote research and innovation through projects, research papers & participation in research activities.
- To provide linkage with research institute & college to develop research ideas.
- 1) Collaboration with Industries &Institutions:To strengtheningteaching, learning & extension activities, college proposes to establish linkage with Industries & Institutions
- 2) Strengthening co-curricular & extra-curricular activities: For all round development of Student College proposes to strengthen the co-curricular & extra-curricular activities among student through N.S.S., Culture, Sports, Soft Skilldevelopment Programme, Lifelong Extension, Remedial Classes. College focuses ICT aided teaching learning method through e-classrooms, computer lab, WhatsApp group etc. The college proposes teacher exchange programme with other institute.
- 3) Strengthening the infrastructure: The College proposes to construct new building to provide bigger classrooms, library, science laboratory etc.
